MEMORANDUM FOR THE CHAIRMAN, DCI SECURITY COMMITTEE

SUBJECT: Review of Foreign Travel Policy - DCID 1/20

1. The Community has had four years experience with DCID 1/20 (Security Policy Concerning Travel and Assignment of Personnel with Access to Sensitive Compartmented Information). NSA undoubtedly, and we have believed justifiably, exceeds the travel reporting and approval requirements of most departments and agencies. I would like the SECOM to conduct a survey of its members concerning their experience under DCID 1/20. The purpose would be to compare implementing policies, procedures, interpretations, problems.

2. As the proponent of this survey I would expect to benefit from the experience of other members in reexamining our own policy. However, I hope everyone would find this useful.

3. I recommend that you have the Compartmentation Subcommittee undertake this survey.
